

# Performance is Everything

**Success** of the business is measured:

- On the race track – how the cars perform!

**Success** on the track is measured by:

- The leader board - Start and finish positions of your car
- Revenues – generated from the leader board positions

**Success** of the car relies on Innovative and Reliable IT Systems

**Can you deliver success on these terms?**

**Do you measure up?**

**No Time?** – In just 2 hours between us we could:

- Change your perspective and approach to ITIL version3
- Begin to vision and create an organisational roadmap

If you would like to attend this session please indicate on your registration form. Please note spaces are limited and will be allocated on a first come first serve basis. The session will last no more that 2 hours, be prepared to be amazed!

**Continual Improvement?** – Standing still is not an option

Technology for better  
business outcomes.
